

CAMPUS ENGAGEMENTS

As part of the first year cornerstone experience you will be required to complete 5 campus engagement per semester. A campus engagement is a way for you all to go get involved on campus, and meet new people. Embedding yourself in the UNI society and creating a social network is a large part of the university experience. How it will work is you will go to a given event, then go write a 1 to 2-page paper, double spaced, reflecting on your experience. Please try to structure it like a paper, and do your best to write it as if a professor was going to be reading them. I'll accept pretty much any submission, but will ask you to rewrite it if it's incredibly insufficient (don't hand me notebook paper with no complete sentences). While writing the paper try to answer the following questions: ***Where was the event? What was the event? Why did you choose said event? How was your experience? Would you recommend it to others?*** Try to focus on the last two questions for a majority of your paper. When you're finished, you can hand print them off and hand them to me in class or e-mail them to me. These are not meant to be difficult, so don't stress. Here are some examples of events you could count as campus engagements.

- Intramural sports games
- Plays
- Almost anything in Gallagher
- Club meetings (**PLEASE GO TO CLUB MEETINGS**)
- Art Exhibits
- Author readings

These are just a few examples, but there are TONS more not presented in the list. Almost every event is free to you as a UNI student. If you are wondering what counts as a campus engagement shoot me an e-mail. (adamsjal@uni.edu). This is supposed to be fun so try to enjoy yourself. You have until December, the end of the semester to get all 5 done, but don't wait until the last minute!
